

“OMG, Inc formerly Olympic Manufacturing Group has been working with the Development Associates team for better than 7 years. OMG has been leasing industrial space in the Agawam Regional Industrial Park from DA in order to supplement space necessary to support our growth. As the individual within OMG, Inc. responsible for handling real estate, I have found Development Associates extremely responsive to our needs in terms of our existing lease as well as future demand. I cannot think of anyone OMG would rather have as our Agawam based real estate partner than Development Associates.”

**Robert D. Murphy
Senior Vice President
OMG, INC. Agawam, MA**
